Hi,

I am a 3rd year student at the University of Sydney studying Computer Science and Neuroscience. As a highly motivated and innovative student with strong communication and interpersonal skills, I would like to apply for the role as a casual bread merchandiser.

I have experience dealing with customers through my time at SailCorp and Mosman Rowers. I am a team player and have worked in a compact team environment for LockItUp. I am always looking to improve myself and put in my best effort. Early starts are no problem for me.

I would love the opportunity to talk with you in person about the position.

Kind Regards,
Sebastian Bird.
